DAILY LIFE

Immerse yourself in a day in the life of an 1800's settler in the Talbot Settlement. Participate in a variety of hands on programs and activities exploring community, health, family roles, and more.

ALL ABOUT FOOD

Learn how food got from farm to table in 19th Century Upper Canada. Enjoy hands on discussions exploring the differences between food then and now.

STEAM

Imagine what it was like to predict the weather in 1850, or to raise a barn with only simple tools. Explore our museum and learn what S.T.E.A.M was to the pioneers.

IN SERVICE

Canada's wars have shaped the country to what it is today. Come explore what life was like while the nation was at war in 1812.

BIODIVERSITY

Come explore the science in our backyard. Enjoy access to nature trails, dynamic habitats, and coming soon a wetlands ecosystem! Your group will get hands on learning about bees, composting, and more.

MAKE AND TAKE ACTIVITIES

To enhance your time at the Backus-Page house please choose one take one take home craft activity to add to your day. Full day cost includes one Make and Take Activity.
